Important

Registration alone does not guarantee a place in the school. Decisions in relation to applications for enrolment are made by the Board of Management in accordance with the Admissions policy.

It is the duty of parents to ensure that with the Application Form the School Secretary has all of the following:

- A. Completed Application Form
- B. Copy of Birth Certificate
- C. 2 x Passports Photos
- D. Two of the following as proof of address
 - o Electricity Bill
 - o Gas Bill
 - o Phone Bill
 - o Lease Agreement
- E. Parents of the child must accept and agree to the school's Code of Behaviour and the terms of this policy
- F. Receipt of acknowledgment of an enrolment application by the school does not constitute an offer of a place nor does it guarantee a place in the school. It is simply the recording of an application for admission to our school.
- G. An Acceptance Form, as issued by the school, must be returned to the school within the required time period.

In order to access an ASD class, the child must fulfill the following Department of Education criteria:

- 1. Each child must have a full current psychological or multi-disciplinary assessment report i.e. within 2 years of application deadline date, which must specify a diagnosis of 'Autism Spectrum Disorder' meeting DSMV or ICD10 criteria.
- 2. The professional report must also specify that the child has complex needs and has a recommendation for a special class placement in an ASD class attached to a mainstream primary school.
- 3. The parents must have contacted the local SENO and received an eligibility letter for a place in a special class.
- 4. Parents/guardians of an applicant must fill in and return an Enrolment form for the ASD class, available on www.scoilassaim.com
- 5. All relevant reports and assessments, and the eligibility letter must be submitted with the enrolment form.
